2. Each day's continuance of an offence under Section 2.4.1 constitutes a new and distinct offence.

2.5 Penalty

A person who commits an offence against this Bylaw is liable, upon conviction in a prosecution under the *Offence Act*, to the maximum penalties prescribed under the *Community Charter* for each offence committed by that person.

2.6 Severability

If any section, sentence, clause, phrase, word or schedule of this Bylaw is for any reason held to be invalid by the decision of any Court of competent jurisdiction, the invalid portion shall be severed and the decision that it is invalid shall not affect the validity of the remainder of this Bylaw.

2.7 Amendment

1. Application for amendment to this bylaw shall be subject to the provisions of the *Local Government Act*.
2. All applications for amendment to this Bylaw shall be subject to the requirements of CVRD Development Application Procedures and Fees Bylaw No. 2255, as amended.

2.8 Effective Date

This Bylaw shall become effective upon adoption.

2.9 Repeal

1. That part of Cowichan Valley Regional District Electoral Area "G" Zoning Bylaw No. 1180, 1988 and all amendments thereto, which applies to Electoral Area G – Saltair, is hereby repealed.
2. That part of Cowichan Valley Regional District Off-street Parking Bylaw No. 1001, 1986, which applies to Electoral Area G – Saltair, is hereby repealed.
3. That part of Cowichan Valley Regional District Bylaw 1740 (subdivision for a relative) which applies to Electoral Area G – Saltair, is hereby repealed.

3.1 Application

Except as otherwise specified in this Bylaw, all provisions of Part Three apply to all the zones established under this Bylaw in Electoral Area G.

3.2 Accessory Buildings and Structures

For zones within which accessory buildings and structures are permitted, the following regulations apply:

1. No accessory building or structure shall be situated on a parcel unless the principal building, to which the accessory building is incidental, has already been erected or will be erected simultaneously with the accessory building on the same parcel, with the exception of one accessory building or structure not exceeding 25 m² of gross floor area, used only for storage purposes.
2. No part of an accessory building shall be used as a dwelling unit or sleeping unit, except as otherwise provided for in this Bylaw.
3. No accessory building shall contain plumbing other than that necessary for the installation of one toilet and one sink, and no other plumbing or plumbing fixtures shall be permitted.
4. An accessory building shall be located on the same parcel as the principal building or use.
5. One greenhouse, not exceeding 15 m² in floor area shall be permitted as an accessory residential structure. Greenhouses exceeding 15 m² in floor area shall be considered agricultural buildings, be permitted only in zones where agriculture is listed as a permitted use and shall comply with the relevant agricultural building setbacks from parcel lines.

3.3 Bed and Breakfast Accommodation

1. For zones in which it is permitted, bed and breakfast use shall:
 - (a) be completely contained within a single family dwelling which is a principal use on the parcel;
 - (b) be conducted by a resident on the parcel, who may employ not more than one non-resident person on the parcel; and
 - (c) not involve the use of more than three rooms per parcel at any one time, for overnight guest accommodation.
2. Where a renovation, an addition or new construction is required to allow the bed and breakfast use to occur, applications for building permits shall explicitly show which rooms in the dwelling will be used for bed and breakfast purposes.

3.4 Dwelling Units – Numbers, Occupation and Rooms

Except as otherwise specifically stated in this Bylaw:

1. Not more than one dwelling unit shall be located on any one parcel;
2. No dwelling unit shall be used or occupied by more than one family;
3. All rooms of a dwelling unit shall be accessible from within that dwelling unit;
4. Not more than one kitchen shall be contained within a dwelling unit.

3.5 Fencing and Screening

Except as otherwise specifically stated in this Bylaw:

1. The height of a fence or wall shall be measured to the highest point from and perpendicular to a line representing the average natural grade level at its base;
2. A fence, where permitted within a required front yard, shall not exceed a height of 1.2 metres, and fences on all other parts of a parcel shall not exceed a height of 2.0 metres, except within agricultural, commercial, institutional and industrial zones, in which case the maximum height shall be 2.5 metres;

3. Notwithstanding the provisions of Section 3.5.2, fences used in association with recreational uses, such as playing fields, playgrounds, golf courses and other similar sports, public utility uses and industrial storage areas shall not exceed a height of fifteen (15) metres, provided such fences are constructed of material that permits visibility, such as wire mesh;
4. Fences may be constructed on any portion of a parcel, including within a required setback area, with the following exceptions:
 - (a) closed fences and landscape screens shall be less than 2 metres in height when sited in a required setback area from a lot line adjoining a residential use; and
 - (b) no tree, plant, shrub, fence or other structure greater than 1 metre in height shall be located within a sight triangle, defined in Section 3.25 of this Bylaw.
5. The use of barbed wire for fencing within a residential, institutional and/or commercial zone shall be prohibited except along an Agricultural Land Reserve boundary.

3.6 Floodplain Requirements

All buildings and structures shall conform to a Floodplain Management Bylaw, if one is in effect, and until one is in effect, shall be dealt with in accordance to Section 699 of the *Local Government Act* until such time as a Floodplain Management Bylaw may be adopted by the CVRD.

3.7 Garage Attached to a Principal Building

A garage or carport attached to a principal building is deemed to be a portion of the principal building.

3.8 Height

Notwithstanding other height restrictions in this Bylaw, agricultural buildings, church belfries, chimneys, domes, flag poles, grain elevators, industrial cranes, lighting poles, federally-regulated microwave communications towers, monuments, radio or television antennas, religious facility spires, silos, scenery lofts, stadium bleachers and light standards, stair towers, tanks and windmills may be of an unlimited height. However, where such structures are located on top of a building, they shall not occupy more than 10% of the horizontal plane of the roof area as seen from any direction.

3.9 Home-Based Business Regulations

For zones in which a home-based business is a permitted use, the following regulations shall apply:

1. The home-based business use shall only be conducted:
 - (a) within a principal dwelling unit on a parcel which is less than 0.2 hectare in area, or
 - (b) within a principal dwelling unit or a wholly enclosed permitted accessory building on a parcel which is 0.2 hectare or larger in area.
2. The maximum floor area per parcel for the home-based business use, including office space, storage, processing or sale, shall not exceed:
 - (a) 50 m² on a parcel which is less than 0.2 hectare in area;
 - (b) 100 m² on a parcel which is 0.2 hectare or larger in area.
3. The home-based business shall be clearly subservient and incidental to the use of the dwelling unit for residential purposes and to the residential use of the parcel on which the dwelling is located.
4. There shall be no variation of the external residential appearance of the land and premises where the home-based business use is located.
5. The home-based business shall not produce any hazard, offensive odour, noise, dust, smoke, glare, toxic or noxious matter, contaminated site, heat, electrical interference, fire hazard, litter, additional waste, floodlighting, vibration, excessive customer or service traffic, or create a nuisance of any kind.
6. The home-based business shall have no external display or advertisement other than a maximum of one non-illuminated sign, which shall not exceed 0.4 m² in area.
7. The home-based business shall not involve exterior storage of any material or equipment used directly or indirectly in the processing, servicing or sale of any product.

8. The home-based business shall only be conducted by a resident on the parcel and shall employ not more than two non-resident persons.
9. No home-based business shall encourage the generation of excessive non-local traffic on residential streets;
10. The home-based business shall not involve the servicing, repair, painting or bodywork of motor vehicles.
11. Off-street parking, required in accordance with Section 3.13 of this bylaw, shall be located on the parcel where the home-based business is located.
12. Where a home-based business involves the use of commercial vehicles:
 - (a) no commercial vehicles with a maximum gross vehicle weight of 5000 kg or greater, associated with the home-based business, shall be located outside of a building or structure on a parcel which is less than 1 ha in area; and
 - (b) not more than one commercial vehicle with a maximum gross vehicle weight of 5000 kg or greater, associated with the home-based business, shall be located outside of a building or structure on a parcel which is 1 ha in area or larger.
13. Any home-based business must comply with all Regional, Provincial and Federal Environmental Protection Regulations.
14. All articles sold through a home occupation shall be produced or manufactured on the parcel, and no retail activity of any other materials or goods shall occur.

3.10 Minimum Parcel Frontage

1. The minimum frontage of a parcel shall be ten percent of the perimeter of that parcel.
2. Notwithstanding the provisions of Section 3.10(1), the minimum frontage may be reduced for lots on a road curve with a radius of 80 metres or less subject to the required frontage being attained at the required front yard setback as stated for the zone in which the parcel is situated.

3.11 Minimum Parcel Size Exceptions

The minimum size of a parcel is the minimum parcel size prescribed in Part 5 of this Bylaw for the zone in which the parcel is located, except to the extent as varied by the following provisions:

1. **Parcel Consolidations and Addition of Roads:** The minimum parcel size requirements do not apply to the consolidation of existing parcels or the addition of closed streets to an existing parcel.
2. **Dedication for Public Use:** A parcel which is reduced in size by not more than ten (10) percent as a result of a dedication for a public use by:
 - (a) the Regional District;
 - (b) a municipality;
 - (c) the Provincial Government;
 - (d) the Federal Government;
 - (e) an Improvement District;
 - (f) the Board of School Trustees; or
 - (g) a Public Utility;

by expropriation or purchase, shall be considered to have the same size as it did prior to the dedication for public use. If this deemed size would permit further subdivision, then such subdivision may occur pursuant to the general regulations of this Bylaw and the regulations of the zone in which the parcel is located. No individual parcel created pursuant to this regulation shall, following subdivision, be more than 10% smaller than the minimum parcel size of the zone in which it is located.

- (a) **Parcels Severed by a Road or another Parcel:** Notwithstanding the minimum parcel size provisions of each zone, where a portion of a parcel is physically separated from the remainder of the parcel by a public road or another parcel, the physically separated portion may be subdivided from the remainder of the parcel, to an absolute minimum area of 2000 m² where the parcel is serviced

with community water, and 1 hectare where the parcel is not serviced with community water. This regulation only applies to parcels and public roads in existence at the date of adoption of this bylaw.

No subdivision or boundary adjustment, which creates new parcels separated by a road or another parcel, shall be approved unless a covenant is registered in the name of the Cowichan Valley Regional District, prior to subdivision approval, prohibiting the further subdivision of the newly created severed parcel. This covenant requirement also applied to new dedications of public road, occurring outside of the subdivision process. Even in the event that the Ministry responsible for creating new roads neglects to register the covenant against the title, no subdivision of a separated parcel shall be permitted, other than in conformity with the regulations of the zone in which the parcel is located.

3. **Parcels Severed by a Jurisdictional Boundary Line:** Notwithstanding the minimum parcel size provisions of each zone, where a portion of a parcel is separated from the remainder by a jurisdictional boundary line, the parcel may be subdivided along the jurisdictional boundary line, provided that:
 - (a) the jurisdictional boundary line is used as the subdivision boundary; and
 - (b) no parcel created pursuant to this Section shall be less than one hectare in area where there is no community water service connection and 2000 m² in area where community water service connections are made to each parcel.
4. **Parcels Subdivided for Public Parks or Public Utility Uses:** The minimum parcel size provisions as prescribed in each zone shall not apply where the parcel being created is to be used solely for the unattended equipment necessary for the operation of:
 - (a) a bus shelter, railway station, public transit station;
 - (b) a community water system;
 - (c) a community sewer system;
 - (d) a community gas distribution system;
 - (e) a community radio or television relay broadcasting antenna;
 - (f) a radio or television relay broadcasting antenna;
 - (g) a telecommunication relay station;
 - (h) an automatic telephone exchange;
 - (h) an air or marine navigation aid;
 - (i) a solid waste transfer station or recycling station;
 - (j) other public utilities not specifically listed but considered to be similar in nature to those uses listed in Section 3.11.5(a) through (i);
 - (k) a public park; or
 - (l) a rest stop for a Provincial or National Highway or the Cowichan Valley Trail.
6. **Undersized Parcels:** Undersized parcels that:
 - (a) exist as separate and titled parcels in the records of the Land Titles Office, at the effective date of adoption of this Bylaw;
 - (b) have been created pursuant to the provisions of this Bylaw; or
 - (c) have been created under the authority of a statute of the Province of BC;may be occupied for the uses permitted in the zone in which they are located, subject to all other regulations of this or any other Bylaw, regulation or statute.
7. **Panhandle Parcels:** Where a parcel is a panhandle lot:
 - (a) the access strip (or panhandle) shall not be calculated as part of the parcel area for purposes of subdivision; and
 - (b) When panhandles are created, as an integral part of a parcel, the frontage requirement as specified in Section 3.10 shall not be calculated for the panhandle portion fronting on the highway, but for the width of the lot area fronting on the extension of the panhandle as shown in Figure A:

2. **Calculation Resulting in a Fraction:** Where the calculation of the required off-street parking space results in a fraction, one parking space shall be provided with respect to the fraction.
3. **Seating Accommodation Requirements:** Where seating accommodation is the basis for a unit of measurement under this Section and consists of benches, pews, booths or similar seating accommodation, each 0.64 m² of seating area shall be deemed to be one seat.
4. **Parcels with more than one use:** Where a building or parcel contains more than one function or use, the required number of parking spaces shall be the sum of the requirements for each function or use.
5. **Location of Off-Street Parking Spaces:** Required parking spaces for all uses shall be located on the same parcel as the building or use, and shall be located a minimum of 3 m from any parcel line;

6. **Dimensions of Parking Spaces:** The minimum required dimensions for parking spaces under this Bylaw is set out as follows:

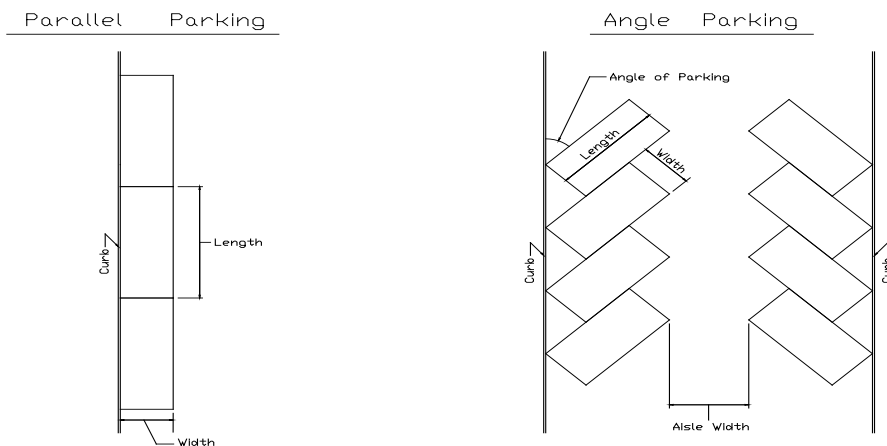

Minimum Dimensions	Width	Length
Angle Parking Spaces	2.8 metres	5.8 metres
Parallel Parking Spaces	2.6 metres	7.0 metres

However, with respect to a parking area containing more than 100 parking spaces, up to 20 percent of the total required number of parking spaces may be reduced to 4.6 metres in length provided that each parking space is identified by the words "small auto only" on the pavement in the space itself or on a wall facing it.

7. **Dimensions of Aisle Space:** The minimum required dimensions for aisle space under this Bylaw is set out as follows refer to diagrams below for interpretation):

ANGLE OF PARKING	0°	30°	45°	60°	90°
MINIMUM WIDTH OF AISLE	3.7 metres	3.4 metres	3.9 metres	5.5 metres	7.3 metres

Parking Diagrams

8. **Access to Parking Spaces:** Except in the case of a single-family residential building, no parking space shall gain direct access to a highway.
9. **Street access or egress:** Street access or egress shall be not less than 15 metres from the nearest point of intersection of two highways.
10. **Surfacing of Parking Areas:** Where more than ten parking spaces are required by this Bylaw, the parking area shall be surfaced with a dust-free material such as asphalt, grass-crete, concrete, or other suitable dust free material, and each space shall be clearly marked. All other outdoor parking areas must be, as a minimum standard, graveled.
11. **Provision of Oil/Water Separator:** Parking areas paved with an impervious material shall include an oil-water separator, to ensure that contaminants do not seep into the surface water or groundwater, and it shall be the responsibility of the landowner to properly maintain the oil-water separator in good working order.
12. **Parking for Disabled Persons:**
- (a) For any use required to be accessible to disabled persons by the BC Building Code, a minimum of one disabled person parking space shall be provided.
 - (b) Where 25 or more parking spaces are required by this Bylaw, the greater of one parking space or a minimum of 1 percent of all spaces shall be accessible to disabled persons.

- (c) All parking spaces designed for use by a disabled person shall be:
 - i. A minimum of 3.7 metres in width and 5.8 metres in length;
 - ii. Surfaced with concrete or asphalt to provide ease of access for wheelchairs;
 - iii. Located in the most accessible and convenient location available within the parking areas; and
 - iv. Marked or otherwise designated for sole use by disabled persons.

13. Bicycle Parking:

All commercial developments requiring at least 5 parking spaces shall have a bicycle rack capable of accommodating at least four bicycles.

14. Extending or Expanding an Existing Use

The parking requirements established in this Section do not apply to a building or use existing prior to the adoption date of this Bylaw. However, if there is an expansion or addition to an existing use or building, then the provisions of Section 3.13 shall apply to such expansion or addition.

3.14 Parcel Realignments and Consolidations

Existing parcels may be consolidated and re-subdivided into new parcels for matters of convenience provided that:

1. the subject parcels are contiguous;
2. no additional lots are created;
3. where the proposed parcels are under 1 hectare in area, the boundary change does not result in the reduction of any parcel by 20% or more of its original size; and
4. the requirements of this Bylaw respecting siting of buildings and structures is complied with.

3.15 Recreational Vehicle Parking

Not more than two (2) recreational vehicles or trailered boats shall be parked or stored on a parcel that is located in a zone which lists "single family dwelling" as a principal use.

3.16 Residential Uses in Non-Residential Zones

Notwithstanding the setback requirements of this bylaw, where a single-family dwelling is permitted in a non-residential zone, the following setbacks shall apply:

- Front: 7.5 metres
- Interior Side: 10% of the parcel width or 3 metres, whichever is less;
- Exterior Side: 4.5 metres
- Rear: 4.5 metres

3.17 Residential Use of Water Lease Lots

Unless otherwise provided for in this bylaw, a water lease lot shall not be used for residential purposes.

3.18 Residential Use of a Recreational Vehicle During New House Construction

An owner of a parcel may occupy a recreational vehicle on the parcel while in the process of constructing a dwelling on the same parcel, provided that the following conditions are met:

1. The period of recreational vehicle occupancy shall not extend beyond twelve (12) months from its commencement.
2. The recreational vehicle occupancy shall not be established until a building permit has been issued for the construction of a principal dwelling on the parcel, nor shall the recreational vehicle be occupied after occupancy of the newly constructed principal dwelling has begun.
3. Sewage shall be disposed of at approved off-site sanitation-dump locations, or if it is disposed of on-site, in a location and manner that is permitted by the jurisdiction having authority.

3.19 Residential Use of an Existing Dwelling During New House Construction

An owner of a parcel which already has an existing dwelling located on it, while in the process of constructing a new principal dwelling on the same parcel, may continue to occupy the existing dwelling during construction of the new principal dwelling, provided that the following conditions are met:

1. The owner of the parcel shall enter into a restrictive covenant in favour of the CVRD pursuant to Section 219 of the *Land Title Act* to the effect that the owner undertakes to remove the existing dwelling or render it uninhabitable to the satisfaction of the Building Inspector following the granting of the certificate of occupancy for the new principal dwelling.
2. The covenant referenced in Section 3.19.1 shall also specify that a letter of credit or bond in the amount of \$5000 be issued in favour of the CVRD by the applicant for the new dwelling, to be forfeited to the CVRD in the event that the other terms of the covenant are not complied with, in which case the CVRD shall use the \$5000 to offset any costs of legal action to obtain compliance.
3. A maximum time period of 2 years shall be allowed for the situation described in Section 3.19.1, from the date of the application for a building permit to completion and occupancy of the new principal dwelling, and this time period shall be specified in the covenant referenced in Section 3.19.1.

3.20 Resource Extraction Activities

A number of Provincial Acts pertaining to resource extraction activities supersede the authority of the Regional District over both Crown and private lands. These include the *Mines Act*, the *Coal Act*, and the *Mineral Tenure Act*. In view of this fact, this Zoning Bylaw cannot restrict mineral, gravel and coal exploration and/or mining activities, except for storage, processing or other non-mining activities. The Mines Branch has a review process to address the public interest in such matters.

3.21 Secondary Suites

For zones in which secondary suites are permitted, the following regulations apply:

1. The secondary suite shall be located within a principal single-family dwelling.
2. The secondary suite shall not occupy more than 40% of the gross floor area of the dwelling.
3. The secondary suite shall be legally constructed and inspected in accordance with the British Columbia Building Code and the CVRD Building Bylaw, and have the approval of the authorities responsible for domestic waste disposal and domestic water supply.
4. The secondary suite shall not have a gross floor area in excess of 74 m².
5. The secondary suite shall not be located on a parcel of land that has another secondary suite or secondary dwelling on it.
6. The secondary suite shall not be located on a parcel of land unless an owner of the parcel resides on the same parcel.
7. The secondary suite shall not have, through subdivision or strata plan, a separate title distinct from the one for the parcel of land upon which it is located.
8. The secondary suite shall not be located on a parcel that is less than 0.4 hectares in area.
9. The secondary suite shall not be subdivided from the parcel upon which it is situated and the owner must enter into and register a restrictive covenant to this effect on the owner's title in the Land Title Office.

3.21A

For zones in which accessory dwelling units are permitted, the following regulations apply:

1. shall not be located on a parcel of land that has a secondary suite or another accessory dwelling unit on it;
2. shall be free standing or attached to a building that is accessory to residential use;
3. shall not exceed 85 m² (914 ft²) in floor area;

4. shall only be permitted when both the primary residence and accessory dwelling unit are serviced by an approved water source and an approved sewage disposal system;
5. shall only be permitted on parcels that are at least 0.4 hectares in area and where the main residence and accessory residence are both serviced by a community water system;
6. shall be legally constructed and inspected in accordance with the British Columbia Building Code and the CVRD Building Bylaw, and have the approval of the authorities responsible for domestic waste disposal and domestic water supply;
7. shall have an additional off-street parking space in accordance with Section 3.13;
8. may be subdivided from the parcel upon which it is located only if:
 - a. it is in a zone which would allow for the proposed parcel sizes following subdivision;
 - b. the principal dwelling and accessory dwelling unit are so located as to allow for setback requirements to be met following subdivision, with each being on a separate parcel following subdivision;
 - c. the approval of the Health Authority for sewage disposal has been obtained.

If the parcel upon which the accessory dwelling unit would be located is in a zone which would not allow for subdivision, the owner shall, prior to the issuance of a building permit for the accessory dwelling unit, register a covenant under Section 219 of the *Land Title Act* in favour of the CVRD against the title to the parcel which prohibits its subdivision or the registration of any form of strata plan under the *Strata Property Act*.

For parcels that meet the requirements of Subsections (6) a., b., and c., following the subdivision, the dwelling that was formerly considered to be the accessory dwelling unit will no longer be subject to the regulations of Section 3.21A of this Zoning Bylaw.

3.22 Section 946 Subdivisions

The minimum size for a parcel that may be subdivided under Section 946 of the *Local Government Act* throughout Electoral Area G – Saltair shall be 25 hectares.

3.23 Setback Exceptions

1. Except as otherwise provided in particular zones, the setback requirements of this Bylaw do not apply with respect to:
 - (a) A pump house;
 - (b) Bay windows, belt courses, chimneys, exterior finish, heating equipment, sills, sunlight control projections, sunshades, unenclosed stairwells, and ventilating equipment, if the projections do not exceed 1 m measured horizontally; and
 - (c) Eaves, canopies, cornices, gutters, sunshades, and unenclosed stairwells if the projections, measured horizontally, do not exceed:
 - i. 2 m in the case of a rear yard;
 - ii. 1.5 m in the case of a front yard or side yard.
 - (d) signs;
 - (e) open fences; and
 - (f) closed fences and landscape screens that are less than 2 metres in height.
2. Notwithstanding any other provision of this Bylaw, the consent of the Ministry of Transportation is required to place any building or structure closer than 4.5 m to a property line adjacent to a highway.
3. No other features may project into a required setback area.

3.24 Setbacks from a Watercourse

1. Notwithstanding any other provision of this Bylaw, no building or structure shall be located within 15 metres of the high water mark of any watercourse, including the sea, unless specified in a Development Permit.
2. Notwithstanding any other provision of this bylaw, no building used for the accommodation of livestock shall be located within 30 metres of the high water mark of a watercourse, including the sea, unless specified in a Development Permit or subject to the provincial *Farm Practices Protection Act*.

3.25 Sight Triangle

No person being the owner, occupier or lessee of any land located at the intersection of any two streets, shall place or permit to be placed, construct or grow any tree, plant, shrub, fence or other structure greater than 1 metre in height within a sight triangle bounded by the intersecting lot lines at a street corner and a line joining points along said lot lines 6 metres from their point of intersection. For greater certainty, a diagram shown as part of this section and labeled "Figure B" depicts the area described in this section.

FIGURE B

3.26 Siting Applied to Strata Subdivisions

1. The siting regulations of this bylaw apply to all parcels, including bare land strata lots.
2. The interior side parcel line requirements of this bylaw shall not apply to strata lots under a registered plan pursuant to the *Strata Property Act* where the subject parcel line is a common wall shared by two or more dwellings within a building.

3.27 Storage of Junk or Wrecks

Unless specifically permitted by this Bylaw, no parcel shall be used as a junkyard or for the external storage, collection or accumulation of all, or part, of any automobile wreck, derelict motor vehicle, or all or part of any motor vehicle that is not:

1. validly registered, licensed and insured in accordance with the *Motor Vehicle Act*; and
2. can be moved under its own power.

3.28 Uses of Land, Buildings and Structures Permitted in all Zones

Except as otherwise stated in this Bylaw, the following uses are permitted in all zones:

1. highways;
2. conservation, ecological reserves and wildlife sanctuaries;
3. landscape screening and fencing;
4. public parks and public trails;
5. public utilities, excluding offices, maintenance garages and storage areas;
6. uses, works, buildings and structures customarily incidental to a principal permitted use on the parcel;

7. temporary siting of a mobile home or recreational vehicle, for the property owner, while a permitted dwelling is being constructed, subject to the requirements of Section 3.18 of this Bylaw;
8. temporary buildings, structures or storage of materials, for a maximum of one year, required for an approved construction project on the same parcel provided such temporary buildings, structures, and/or storage areas are removed within 30 days of the completion of the project; and
9. railways.

3.29 Use of Tents, Trailers or Recreational Vehicles as a Residence

A tent, trailer, recreational vehicle, park model unit (CSA Z241), bus or other motor vehicle shall not be used as a residence, except in accordance with Section 3.18 of this Bylaw.

3.30 Medical Marihuana Regulations

- (a) Notwithstanding that agriculture, horticulture and limited agriculture are permitted uses in several zones under this Bylaw, medical marihuana growing and processing pursuant to the Government of Canada's *Marihuana for Medical Purposes Regulation* is prohibited on all parcels except for those parcels that are located in a zone where it is explicitly permitted;
- (b) For parcels upon which it is a permitted use, buildings and structures for medical marihuana growing and processing shall not be located within:
 - (i) 50 metres of a parcel boundary in the A-1 Zone;
 - (ii) 100 metres of a parks or institutional zone;
 - (iii) 300 metres of a residential or mixed use zone.

3.31 Swimming Pool Fencing Required

Swimming pools shall be enclosed in a structure or be surrounded by a fence not less than 1.5 metres and not more than 1.8 metres in height, designed to prevent climbing, and where equipped with gates, the gate shall be operated by hinges and a lock and shall be able to be opened freely from the inside only.

4.1 Creation of Zones

For the purposes of this Bylaw, Electoral Area G – Saltair of the Cowichan Valley Regional District is divided into the following zones:

CATEGORY	ABBREVIATION	ZONE TITLE
Agricultural Resource	A-1	Agricultural Resource 1 Zone
