WHAT IS THE SDRA?

The SDRA is an official "society" under the BC Societies Act and as such is a non-profit organization for the following purposes:

1. To participate in community planning for the benefit of Saltair and district (e.g. roads, water, sewer, green space, cultural opportunities, emergency/safety planning, taxation and services fees)
2. To protect the rural qualities and character of the area
3. To protect the natural environment
4. To promote education, engagement, communication and action on issues affecting our quality of life
5. To provide a community forum where residents can voice their opinions and concerns and provide feedback
6. To liaise with properly constituted (elected /appointed) bodies which make or influence decisions about the district
7. To act upon any community project, as approved and/or funded by membership, for the benefit of the residents
8. To obtain, manage and administer finances to support the Association.
