Wish it were that easy.

One night a Lady came home from her weekly prayer meeting, found she was being robbed, and she shouted out, "Acts 2:38: 'repent, be baptized and your sins will be forgiven.'" The robber quickly gave up and the lady rang the police. While handcuffing the criminal, the police officer remarked, "You gave up easily." How come you gave up so quickly?" The robber said, "She said she had an axe and two 38's!"
